

JET-GUN Jewel Series

Acrylic grease guns — the jewels of machine maintenance. Rewriting the very idea of the grease gun.

The OILKEY Jet-Gun Jewel Series — including **JET-GUN Emerald** and **JET-GUN Sapphire** — brings colour and clarity to lubrication work. We build unique grease guns for the values and aesthetic sense of the people who use them.

Features

- Beautiful acrylic-bodied grease guns.
- Light, and outstandingly easy to use.
- Grease replacement is ultra-simple.
- The transparent body lets you see the remaining grease at a glance.
- The evolution of the grease gun: acrylic colour body, simple operation.

Options

Code	Product	Model	Overall length
